

# CONGRATULATIONS OPRFHS Class of 2008

from the Oak Park & River Forest High School  
ALUMNI ASSOCIATION

Whether you head off to school away from Oak Park or stay in the community, you'll want to keep in touch with the High School and your classmates and hear about the activities and accomplishments of your fellow alumni.

As a new OPRF grad, the Alumni Association is pleased to offer you a FREE FOUR YEAR membership so that you can receive our newsletter, send in news about yourself for the newsletter and the website and attend special Alumni events. This FREE membership represents a \$100 GIFT (4 years of dues at \$25 per year) with no strings attached.

All we need from you is an accurate mailing address – it can either be your home address or your address at school – and we'll mail you our newsletter three times per year. If your address changes, just let us know. And let us know what's happening in your life – the next few years will be exciting for you and your classmates – and we hope you'll keep in touch. Of course, we also hope that you'll become a supporting member of the Alumni Association of OPRFHS at the end of your free four- year membership period!

Best wishes to you from all of us!
